Co-Curricular Activities

1. **Programming:** I love coding, and in my free time I am eager to learn new things and new algorithms. I also got 3 stars on [CodeChef](#) and 5 stars on [hacker-rank](#) in problem-solving assessment.
2. **Development:** I am interested to develop a good website that's why I am always trying to learn many CSS designs, and trying to participate in any open source project.
3. **Others:** Playing volleyball, Writing poetry, etc.
